SUMMARY

I am a comparative political scientist specializing in South Asian politics and political methodology, especially the application of machine learning and AI to social science. My research integrates deep learning with quasi-experimental and experimental designs to address core questions in political behavior, digital campaigning, and political persuasion.

EDUCATION

University of California, Merced 2021 - 2026 (Expected)
Ph.D. in Political Science (specialization in Political Institutions and Political Economy)

University of Bristol 2015 - 2018
B.Sc., 1st-class Honors, in Politics and International Relations

WORKING PAPERS

[“Decoding Digital Campaigning with Deep Learning: Evidence from India”](#)

[“Urbanization and the Rise of the Right in India”](#) with Aditya Dasgupta

[“Are There Spillovers in the Representation of Excluded Groups?”](#) with Aditya Dasgupta

CONFERENCES AND TALKS

“Decoding Digital Campaigning with Deep Learning: Evidence from India”. Panel presentation at the *Annual Meeting of the American Political Science Association*, Vancouver, BC: September 11-14, 2025

“Decoding Digital Campaigning with Deep Learning: Evidence from India”. Poster presentation at the *Annual conference of the Society for Political Methodology*, Atlanta, GA: July 17-19, 2025

“Urbanization and the Rise of the Right in India”. Invited talk co-presented with Aditya Dasgupta at the *Brown-Harvard Joint Seminar on South Asian Politics*, Cambridge, MA: April 4, 2025

“Are There Spillovers in the Representation of Excluded Groups?”. Panel presentation at the *Annual Meeting of the American Political Science Association*, Los Angeles, CA: August 31 - September 3, 2023

OTHER PUBLICATIONS

“AI-Enabled Policy Project (AIPP) Convening: Bringing Together Technology and Policy Experts on Using AI to Improve Policymaking” (RAND Conference Proceedings, September 4, 2025) with Emily Lathrop, Anton Shenk, Dulani Woods, Lauren Wagner, Galen Hines-Pierce, Jeff Alstott, and Casey Dugan

WORK EXPERIENCE

Lab Manager, Political Economy of Agricultural and Rural Societies Lab	2023 - Present
